Product description

Designed and manufactured exclusively for Nodax UK, this beautiful Formula Range bed frame, underbed storage drawer and open bedside cabinets with overhanging shelves are crafted using solid wooden pine. The cleverly designed overhanging top shelf on the bedside cabinets reaches to your bed, so you don't drop items down the gap.

- What's included: 6ft UK super king size bed frame with slatted plywood pine base, underbed storage drawer 150 cm, and two bedside cabinets.
- This bed has a central support bar and FOUR supportive legs, not one, for extra stability.
- 18 strong, plywood slats (more than the usual 12 slats). There are pre-drilled holes on all the slats: once screwed into the bed frame they add extra durability and security.
- The bedside cabinets are solid wooden pine with floor shelf and overhanging top shelf.
- The underbed storage drawer is designed to simply roll out from under the bed and is perfect for keeping your bedroom tidy.
- Choice of walnut, oak, alder or natural pine painted finish.
- Easy to assemble.
- 1 Year Guarantee (on defective parts) from invoice date.
- Care instructions: wipe dry with a clean cloth.

This product has additional options:

Colour:: walnut , alder , oak , pine
